Indianapolis, Indiana

Little Jewels

For Two Equal Parts, Keyboard and Handbell Choir(2 Octaves)*

W. O. Cushing
Malachi 3:17

George F. Root
Arranged by RUTH ARTMAN

Note: If Handbells are not available, other types of bells may be substituted: Choirchimes, Orchestra Bells or Glockenspiel. In such case, where there are chords, the top note only may be played. In the absence of bells, the composition will stand well on its own with just voices and organ or piano accompaniment.
