A Note from the Composer:

In the summer of 2007, I had the privilege of being part of a mission team serving in Ukraine. Due to its geographical position and rich natural resources, the country has a history of foreign invasion, occupation, and oppression. It is estimated that more than 25 million Ukrainians were killed during the 20th century due to starvation, war, and the deadliest nuclear accident in history. Sadly, their loss continues with the 2022 Russian invasion. *Ukrainian Alleluia* is a musical portrayal of their voice of faith, strength and hope in the midst of unimaginable suffering and tragedy. - Craig Courtney
